2 2. Your letter to General Graham regarding support for
 2 the Infantry School at Fort Benning, arrived at DIA and a
 2 reply is in progress. I have no inkling, as yet, as to what
 2 will be said. Your letter did not go to DIA/DE [redacted]
 2 for action. It probably went to someone in [redacted] 2
 2 Ground Forces Section.

2 3. I've been in contact with a Maj. Liberti of General
 2 Tarpley's staff. The General is most appreciative of your
 2 letter and efforts and will write to you soon. Liberti in-
 2 quired about further developments at this end and I told him
 2 we were awaiting a reply from General Graham. I just wanted
 2 to inform you that with [redacted] (DIA), Maj. Liberti (USAIS),
 2 and myself; the staff-officer-level "net" has been established
 2 for this effort.
